| QUERY 1 | We have numerous project references similar with this project that we have completed and are still operating to date. In this regard, we would like to ask a few clarificatory questions regarding the track record or SLCC: We have a similar project for your required portable water filtration system that we have supplied for MWSS but unfortunately it is installed 10 years ago, we would like to request for the possibility of extension of the duration of the track record of at least 10 years age in order for us to comply with your requirement? |
| REPLY 1 | Request granted. As included in the Amended Bidding Documents, the requirement has been revised to "Statement of Single Largest Completed Contract of Similar Nature within the Last Ten (10) Years from date of submission and receipt of bids" |

For the guidance and information of all concerned.

Issued this 11th day of November 2018 in Makati City.
