- The Chair opened the floor for questions/clarifications. Hereunder are the details:

Bidder's Query/Clarification/s	Committee's Reply
Railworks: In the Bid Data Sheet, the requirement for a valid and current Certificate of Distributorship / Dealership / Resellership of the following items being offered and you mentioned that all items must be of the same brand, ma'am there's no single brand for the HF Radio and Trunking Mobile Radios	
	Chair: Ma'am can we ask you to put your query in writing? So we can clarify that through a Bid Bulletin, we will also confer to the BFP which item must be of the same brand.
Then the List of Service Center/s for Item no. 2 you mentioned that List of service center in Region 3 and list of at least (3) service technicians or technical experts/engineers and their corresponding training certificate issued by the manufacturer of the brand of the HF Radio being offered, are you refereeing with the Region 3 only? Not the HF?	
	For that particular issue we will be putting that in the Bid Bulletin.
Last is the Technical Bid Form, there's no form for Goods offered abroad, are we going to use the Financial Bid Form?	
	Yes.
Including the local materials?	
	Yes, we have not yet put that in as a requirement for the local or imported items.

How about you mentioned that we cannot alter in any bid forms of PITC but actually we have local materials also to be provided for the certain project, how can we enumerate that?	
	First of all, we're not requiring it here.
Okay, only what's written in the form?	
	Yes, in any case if we have an additional requirement in addition to what you've seen here we will incorporate that into a Bid Bulletin.
On the Presentation of Sample, can it be the main equipment only?	
	I request to also include that in your letter which we need to confer with the BFP.
	Any other concerns?
PLDT: in the TOR (b) Interoperability Gateway, do you have the list of those devices?	
	BFP: it's stated on no. (2) under (b) Interoperability Gateway (these communication devices include analog two-way radios, cellular phones, PSTN and PBX).
No, the brand?	
	Chair: Okay, please put that also in writing.
Also in the TOR, (f) B. Client Server Architecture...	
	Also, please include it in your letter.
	Please take note that whenever we issue a Bid Bulletin and if we revise any of the forms please use the revised forms, do not just correct the old form.
	Also, please raise your concerns early enough and not wait for the last day since you already have your concerns like those, so that we'll be able to meet the required seven (7) calendar days prior to Bid Opening for issuance of Supplemental Bid Bulletin.
	Thank you and review your documents well.

OTHER MATTERS:

- Chair informed the Bidders that the Committee will issue a Bid Bulletin to revise the Technical Bid Form, Detailed Financial Bid Form and to include the requirement for Counter Trade.
