B.) BIDDER'S QUERY:

NSB ENGINEERING DESIGN AND FABRICATION	
Query No. 1	Under Eligibility Documents, on Statement of Single Largest Completed Contract (SLCC) refers to "Sports Equipment", we would like to request to consider completed contract as described "Any Equipment".
UP DILIMAN Reply No. 1	Request Denied. The Office of Design and Planning Initiatives (ODPI) is not in favor of allowing the term "Any Equipment" to replace "Sports Equipment" as a requirement under the Eligibility Documents on the Single Largest Completed Contract (SLCC). The term "Any Equipment" could mean any equipment without similarity to the highly technical and precise nature of the swimming equipment that the University requires for the Swimming Stadium. The ODPI however, is favorable to the term " Precision Equipment " as acceptable SLCC aside from " Sports Equipment ", provided that all legal and technical requirements in the TOR be satisfied by the prospective bidders. This includes among other requirements in the TOR, certifications from FINA, that the proposed equipment are FINA compliant and certificate of distributorship from the bidder's suppliers.

Please use the attached **Revised Annex I-A** together with all other required documents for the Bid Opening on **24 September 2019, Tuesday at 11:00AM.** Please use the **Revised Checklist** of requirements as reference.

This **Supplemental/Bid Bulletin 1** shall form part of the Bidding Documents. Any provisions in the Bidding Documents inconsistent herewith is hereby amended, modified and superseded accordingly.

For guidance and information of all concerned.

Issued this **17th September 2019** in Makati City.
