Bidder's Query	Committee's Reply
the ABC (P143,510,000.00) of the project is insufficient with all the Accessories required such as the Thermal Scope	
	Ma'am can I ask you to raise the particular concern in writing and the Committee will answer through a Bid Bulletin which will be posted in PhilGEPS and PITC Website
Do you allow pre-checking?	
	No it is not allowed, that provision was removed by R.A. 9184 because it can be a source of corruption or favoritism and another thing if the submission failed you will blame the person who conducted the pre-checking then that is to your disadvantage, all of those were addressed by R.A. 9184.
	And we have here the sample documents/forms that we are flashing on the screen and if you will stick to the Instructions then you will not make a mistake.

- Vice-Chair informed that to be able to participate in this bid project, the prospective Bidder must have a single largest completed contract similar to the contract to be bid within the last five (5) years from date of submission and receipt of bids amounting to at least fifty per cent (50%) of the ABC of the project.

“Similar” contract shall mean Firearms.
