<p>PITC Bids and Awards Committee I Response:</p>	<p>Request Granted, as indicated in this Supplemental Bid Bulletin 1.</p>

DIAMOND MOTOR CORPORATION in its letter dated 04 December 2018 and received by BAC on the same date.

<p>Query 1:</p>	<p>I would like to respectfully request for an Amendment for the Engine Specification particularly to the Engine Displacement (cc) which has a requirements of 2,100-2,400. We would appreciate if you could adjust it to 2,100-2,442 as per definition, engine displacement is total volume of the number of cylinder of the engine block. By formula, this is the product of the BORE and STROKE of the piston multiplied by a constant of 3.1415 and multiplied by the number of cylinder. With a bore of 86mm and stroke of 105.1m the exact volume displacement resulted to 2,442 liters. The designed engine displacement is the result of a well-engineered study to optimize the performance of the coupling transmission of the vehicles. Though the requirements set by your company is 2.4 liters, the computed engine displacement of 2,442 liters is not concern deterrent to the product but rather an advantage that will reflect on the performance of the overall vehicle ride. Technically speaking, this may be interpreted to a bit higher fuel consumption but with the efficiency of the coupled transmission, the output is a more efficient one. We would be delightful if your office can give us a chance to join the bidding on the December 14, 2018.</p>
<p>PA Response:</p>	<p>Request Denied, we cannot change the Technical Specification because doing so will violate a DBM circular.</p>

Bidders are advised to use and submit the **Revised Annex I-A** together with required documents for the Bid Opening on **14 December 2018, 10:00 AM**. Also, please use the **Revised Checklist of Requirements** as your reference.

This **Supplemental Bid Bulletin No. 1** shall form part of the Bidding Documents. Any provisions in the Bidding Documents inconsistent herewith is hereby amended, modified and superseded accordingly.

For guidance and information of all concerned.
