Bidder's Query/Clarification/s	Committee's Reply
ONE TOP: In the Statement of all ongoing contracts do we need to attach the NOA or PO?	
	No, there is no required attachment to the Statement of all ongoing contracts.
	But you need to prepare those documents for post-qualification if you're declared as the Single/Lowest Calculated Bidder.
In the Specifications for Item 2 letter (d) can you consider ABS plastic? Because the stainless steel suction machine is actually an ancient machines.	
	Ma'am, since you're proposing another material we require you to raise you request in writing.
	If in case your request is granted and we revise any of the forms, it will be through a Bid Bulletin.
ISOMED: The SLCC similar contract "Medical Equipment", can it be Laboratory Equipment?	
	Just put your request in writing sir.
ZENITH: Can we extend the Delivery period? From 60 days to 90 days?	
	Again, put your request in writing ma'am.
In the Specifications for Item 2, Accessories (a) is it 4 bottles? Because normally there is only 2 bottles.	

But if it's only a spare or extra, I think you need to indicate in their Specifications.	
Every unit have extra bottles?	This is Accessories, which means it's an extra bottles.
	As stated there "Accessories per unit".
And also, you require two disposable suction tubing kit, our suction tubing kit is reusable can you consider it?	
	I suggest that you put all your request in writing with your other proposal. And all the answers to your letters will be through a Bid Bulletin which will be posted in the PhilGEPS and PITC website ( <a href="http://www.pitc.gov.ph">www.pitc.gov.ph</a> ).
	Other questions?
FERNANDO MEDICAL: Regarding the specifications for item 2, (a) Four (4) 2800ml polycarbonate selectable bottles, is that the minimum or maximum?	
	You also put your concern in writing sir.
For filing up the Omnibus Sworn Statement, is it select one and delete the other if it's not applicable to us?	
	No, if you will scan it and it's not applicable to you just leave it there, but if you will retype it you can remove the portion that are not applicable to you but just a reminder that the form must be copied verbatim.
Okay.	
	Since you have a lot of concerns and requests, I encourage you to send your letters right away because we have to refer that matter to the PA, so that we can also answer to all your concerns right away.
	Thank you very much.
