- The Chair opened the floor for questions/clarifications. Hereunder are the details:

Bidder's Clarifications/Query	Committee's Reply
Aljon: Regarding similar contract, pwede po ba supply and delivery of firetruck tires since pneumatic din po siya?	
	PA: Yes, Ma'am we will be accepting those tires, as per definition naman po yung pneumatic is Enfield Tires. Yung fire truck tires niyo is acceptable.
Thank you, Sir.	
	Any other questions?
Philippine Chemsteel: For the specifications, Ply Rating. The ideal here is 18PR and the Load Index mas maganda po kung 156 because the higher the better, and the Speed Rating, ang nakasulat po dito is J, ang actual minimum rating po nito is G. (Chair interrupted and replied)	
	Please put it in writing so we can refer the matter with the PA.
Philippine Chemsteel: Regarding Tire strength: Plunger test, are they requiring plunger test certificate to see that the tires really passed the plunger test?	
	PA: Yes, Ma'am based on the PMS 25-1994 standards or its equivalent. We can also pass a previous test result within a period of 1 year.
	Vice-Chair asked PA: Yung plunger test po, test result lang during post qual? but during acceptance mag a-undergo ng piunger test sa Philgeo tama po ba?  PA: Hindi po Ma'am. Kung wala pa po siyang previous test mag a-undergo parin ng plunger test.  Vice-Chair: Sa Acceptance po?  PA: Random parin po yun testing.  Vice-Chair: Random pero magpa-plunger test po?  PA: Yes, Ma'am. Sa PQM na acceptance will undergo plunger test.
Philippine Chemsteel: Sir, this is a specialty tire there is no plunger test in the Philippines. Hindi po kaya dito yan. Philgeo will never do that. There are two things that we do, first, during the PQ we submit a previous plunger test and then during the TIAC we also submit a plunger certificate taken extracted from the batch of the tires that we delivered. Kapag ginawa na po yan, isang batch po yan. Si manufacturer po kukuha doon sa batch na yun ng tires na ite-test niya and then gagawa po siya ng certificate. Dalawang certificates	

po yan, one for the PQ and the other one is for the TIAC.	
	Ma'am I think it might be better if you put your query in writing so we can issue a Bid Bulletin to clarify this.
Philippine Chemsteel: Yes, Ma'am. I'm also clarifying this po.	
	It's better Ma'am if you put that in writing.
Philippine Chemsteel: Okay Ma'am.	
	If there are no more questions. Thank you, very much and Good luck!
Bidders: Thank you Ma'am.	

### Chair's Instructions

Chair stated that Bidders should write all their queries/concerns to the BAC Chair which may be sent through email or fax. The BAC will reply through a Bid Bulletin which will be posted in the PhilGEPS and PITC website.
Just a reminder that there are times that we answer some questions from the Bidder during Pre-Bid Conference. However, it's not official until you put your concern in writing because if there's going to be any changes in the bid requirement just wait for the Bid Bulletin to officially confirm what is said in the Pre-Bid Conference.
Let me give you some tips, please fill in all the blank and review your documents well, where you need to sign, please sign. Make sure that your Secretary's Certificate is clear on the intent whether only one signatory is required or several signatories and make sure it matches the signature on each of your documents. Again, if there are any erasures, please counter sign the erasures.
When you pay for the Bidding Documents, we will give you a whole set. You can download for purposes of already reviewing the requirements. You can download for purposes of having advance copy of the forms. Remember, you must pay for the Bidding Documents way ahead of the Bid submission and opening of bids.
Bidders may pay for the cost of Bidding Documents thru any of the following modes of payment: <ol style="list-style-type: none"> <li>1) Cash Payment PITC Cashier will be available from Tuesday to Thursday between 10:00 AM to 2:00 PM OR</li> <li>2) Cash Deposit</li> </ol>

Theresa Elima at <a href="mailto:myette.elima@pitc1973.onmicrosoft.com">myette.elima@pitc1973.onmicrosoft.com</a> .
