B. REPLIES TO QUERIES OF BIDDER:

Below are the queries/concerns and request for considerations by the prospective bidder, which have been answered by the PITC Bids and Awards Committee I.

ELBIT SYSTEMS LAND AND C4I, LTD. in its letter dated 02 December 2019 duly received by this Office on the same day.

<p>Query:</p>	<p>This is to formally and most respectfully submit for the honorable PITC BAC 1's early resolution, the following pervading concern relative to the condition on the matter of the submission of the Ongoing Contracts as declared in our "Statement of Ongoing and Awarded But not Yet Started Contract", being one of the Post-Qualification requirement for the "SUPPLY AND DELIVERY OF ONE (1) LOT MAINTENANCE PARTS FOR 12.7MM REMOTE CONTROLLED WEAPON STATION (RCWS) FOR THE PHILIPPINE ARMY (PA), Bid Reference No. MPG-BI-2019-557 2nd Rebid (Previous Bid Ref. Nos. MPG-BI-2018-370 & MPG-BI-2019-137 Rebid)" and "SUPPLY AND DELIVERY OF SPARE PARTS FOR THE REPAIR OR ARMORED VEHICLE UTS25 AND FSV OF THE PHILIPPINE ARMY (PA), Bid Reference No. MPG-BI-2019-558"</p>
----------------------	---

As a backgrounder, Elbit Systems Land and C⁴I, Ltd. (Elbit), the Original Equipment Manufacturer (OEM) and exclusive supplier and distributor of the components for this Remote Control Weapon Station (RCWS) and Unmanned Turret 25mm (UT-25), has already participated and was declared as eligible during the first Submission and Opening of Bids of MPG-BI-2019-137 Rebid, last April, 2019. Unfortunately however, Elbit was declared as “post disqualified,” when it failed to submit any of the contracts listed in its “Statement of Ongoing and Awarded But not Yet Started Contracts,” during the local post qualification stage, formally justifying its non-compliance to this requirement as being due to existing Non-Disclosure Agreements with either the Government and/or military branch who are the primary parties to these defense contracts. And moreover, these ongoing defense contracts, deemed as highly confidential documents involving the national security of Elbit’s clients, are barred from being taken out or reproduced outside of the premises of Elbit.

At the onset, Elbit Systems Land and C⁴I, Ltd., herein conveys that it is more than willing to participate and supply these parts/components of the RCWS and UT-25 systems, were it not that there exists legal constraints in doing so. This quandary as discussed with the PITC-BAC during the Pre-Bid Conference held last September 2019, was thought to have found a resolution, as then suggested by the honorable Chair at the time, for Elbit to consider submitting instead a Credit Line Certificate (CLC), as an alternative to the NFCC, since the submission of a CLC, in lieu of the NFCC, will in effect void the need to present the Ongoing Contracts.

Elbit on its part, as already earlier signified, being more than willing to participate and supply these parts/components of the RCWS and UT-25 systems, thus opted to go for the option of submitting the CLC instead of the NFCC, even at a cost. But as luck may have it, it now appears that even this option of submitting a CLC, is a non-existing alternative for Elbit, as the condition for submitting this CLC is stated thus in the Bid Document:

“Should the bidder opt to submit a committed Line of Credit, it must be at least equal to ten percent (10%) of the ABC of the project issued by a Local Universal or Local Commercial Bank. The amount of the committed Line of Credit **MUST BE MACHINE VALIDATED.** (Annex II-B)”

Inquiries made with Land Bank of the Philippines and United Coconut Planter’s Bank, two the government depository banks accredited for government public tenders, revealed that the only way for Elbit to avail or secure a Credit Line Certificate from them, is if and only if, Elbit maintains a bank account with them. A condition, of which is an impossibility for Elbit to comply, since it does not have a branch or office here in the Philippines. As such, the local corporate documentary requirements in order to open a Corporate Account with any of these banks cannot therefore be complied with. Both Land Bank of the Philippines and United Coconut Planters Bank said that for this purpose and intent, they can only authenticate a Credit Line Certificate, issued by the Foreign Bank of the account holder.

With this situation, Elbit is left but no other option, if only to be able to supply these much needed parts by the Armor Division, but to propose, either for a Post Qualification to be undertaken in its offices in Israel, where these ongoing contracts can be presented/shown (but not submitted) to the PQ Team, or amend the condition for the submission of the CLC to allow for the Local Universal or Local Commercial Bank to simply authenticate the Credit Line Certificate opened by Elbit through its bank in Israel. Or, the only alternative left is through Direct Negotiation of procurement, considering Elbit Systems Land C⁴I, Ltd., afterall, is the only sole source supplier of these components sought to be procured in these tenders, apart from these parts being proprietary in nature in favor of Elbit.

	For and behalf of Elbit Systems Land and C4I, Ltd. the undersigned most respectfully asks for your considerations to amend the above mentioned condition, or provide us with other legal options by which Elbit can comply to, without violating its commitment to its other customers and the laws of Israel, and at the same time respectfully requesting for a deferment of the submission of bids for Bid Reference No. MPG-BI-2019-557 2 nd Rebid, for the same to be undertaken simultaneously with Bid Reference No. MPG-BI-2019-558, on December 16, 2019, if and when any of the above proposed solutions are favorably considered.
PITC reply	If the prospective bidder submits a Committed Line of Credit, it must be equal to at least ten percent (10%) of the ABC of the project to be bid: Provided, that if the same is issued by a Foreign Universal or Commercial Bank, it shall be confirmed or authenticated by a Local Universal or Commercial Bank. However, the submission of Committed Line of Credit (CLC) does not do away with the request to submit the Statement of On-going Contracts.

Bidders are advised to use the **Revised Checklist of Requirements** together with the other required documents for the Bid Opening on **12 December 2019, 02:00 PM**.

This **Supplemental Bid Bulletin No. 1** shall form part of the Bidding Documents. Any provisions in the Bidding Documents inconsistent herewith is hereby amended, modified and superseded accordingly.

For guidance and information of all concerned.

Issued this 5th day of December 2019 in Makati City.
