## B. REPLIES TO QUERIES OF BIDDERS:

Below are the queries/requests for consideration/clarification sent by the prospective bidder, which have been answered by the PITC Bids and Awards Committee I and General Headquarters, Armed Forces of the Philippines (GHQ, AFP).

**ONE COMMERCE (INT'L) CORP.** in its letter dated 06 October 2020, received by BAC on 06 October 2020.

<b>Query 1:</b>	<b>Single Largest Completed Contract</b> , can we utilize existing contracts we have with similar items as indicated in the list of equipment even though the title of the project does not reflect explicitly the term "ICT EQUIPMENT"	
<b>PITC's/GHQ, AFP Reply:</b>	<b>Request denied, requirements in the Technical documents remains the same.</b>	
<b>Query 2:</b>	<b>Valid Certificate of Distributorship / Dealership / Resellership</b> , will you allow submission of certificate coming from the distributor or reseller of the item? Most of these certificates are locally sourced through a distributor. They advised us that getting the certificate from manufacturing to be issued to them would take time wherein they could not comply to the given deadline for submission. Could they just issue a notarized affidavit stating that items to be supplied to us are genuine and came from the manufacturer?	
<b>PITC's/GHQ, AFP Reply:</b>	<b>Request Denied, requirements in the Technical documents remains the same.</b>	
<b>Query 3:</b>	<b>Valid and current ISO Certification of the Manufacturer</b> , could this requirement be removed from the list of requirements? Items indicated will be coming from different manufacturers. Not all manufacturing firms apply for ISO certification.	
<b>PITC's/GHQ, AFP Reply:</b>	<b>Request denied, requirements in the Technical documents remains the same.</b>	
<b>Query 4:</b>	Clarify if this only typo graphical error, it should be the delivered items/equipment not "delivered repair parts". All items to be provided brand new. Not repair parts included
