- The Chair opened the floor for questions/clarifications. Hereunder are the details:

Bidder's Clarifications/Query	Committee's Reply
<p>Yung mga Bid Bulletin, san po ilalagay sa envelope 1 or envelope 2?</p>	
	<p>We don't require you to submit the Bid Bulletin. We never require bidders to submit Bid Bulletins. We are wondering why your submission are very voluminous because you include the Bidding Documents, Bid Bulletins even the contract. We do not require them yet, as far as the contracts are concern. If you look at the Bidding Documents, there's a section there which says documents that need to be presented on post qualification, that's the time. If you are declared the single/lowest calculated bid, them you will be asked to submit certain documents, but not in the bid submission and opening date.</p>
<p>Okay, Ma'am. Thank you.</p>	
	<p>Any other questions?</p>
<p>MTC: Regarding ISO, one of the items in the Bid, wala kasi siyang available na ISO Certificate. There's a directive EEC medical device that those machines with no measuring functions and not sterile, like the refraction chair, doesn't need an ISO Certificate.</p>	
	<p>Ma'am I will have to ask you to put your question in writing so we can refer the matter to the Philippine Army.</p> <p>Vice-Chair pointed that the ISO certificate is on the manufacturer not on the item. Just to clarify to MTC that it is not on the item. ISO Certification is being issued on the company.</p>
<p>MTC: All the machines manufactured by PQR, only refracting machine, that's their only product. They specialist on the refraction unit. Since hindi naman siya kailangan ng calibration or any measuring functions. According to EEC medical devices there's a directive that they don't need to get the ISO Certificate.</p>	
	<p>Anyway, we will be waiting for your letter on that matter.</p>

Yes, Ma'am. I will attach the letter from the manufacturer.	
	Okay.
	Any other questions/concerns?
Both Bidders replied None.	
	Thank you and good luck.

Chair's Instructions

Chair stated that Bidders should write all their queries/concerns to the BAC Chair which may be sent through email or fax. The BAC will reply through a Bid Bulletin which will be posted in the PhilGEPS and PITC website.

Just a reminder that there are times that we answer some questions from the Bidder during Pre-Bid Conference. However, it's not official until you put your concern in writing because if there's going to be any changes in the bid requirement just wait for the Bid Bulletin to officially confirm what is said in the Pre-Bid Conference.

Let me give you some tips, please fill in all the blank and review your documents well, where you need to sign, please sign. Make sure that your Secretary's Certificate is clear on the indent whether only one signatory is required or several signatories and make sure it matches the signature on each of your documents. Again, if there are any erasures, please counter sign the erasures.

When you pay for the Bidding Documents, we will give you a whole set. You can download for purposes of already reviewing the requirements. You can download for purposes of having advance copy of the forms. Remember, you must pay for the Bidding Documents before you drop your bids.
