QUERY FROM RCE GLOBAL CONSTRUCTION, INC.	PITC/PN RESPONSE
<p>We, the RCE Global Construction, Inc. is very much interested in participating in a project bidding of the “Rehabilitation of Commo Brown Beaching Area Shore Power System for the Philippine Navy,” which was advertised in PhilGEPS. But unfortunately, we do not have a PCAB License about Electrical but we already constructed projects that deals with buildings and electrical system.</p> <p>Adhering to this concern, we are requesting your good office to please remove the ARC on PCAB License of Electrical that in return as a contrary with that, we are also requesting for you to please allow us to present our company’s professional Electrical Engineers’ license instead.</p>	<p>The PNTWG for Infrastructure is not amenable to the said request as the main activity of the said project is electrical works and the Specialty Works for Electrical is a critical requirement.</p>

Bidders are advised to submit the required documents for the Bid Opening on **19 August 2019, Monday, 11:00 AM.**

This **Supplemental Bid Bulletin No. 1** shall form part of the Bidding Documents. Any provisions in the Bidding Documents inconsistent herewith is hereby amended, modified and superseded accordingly.

For guidance and information of all concerned.

Issued this **1st day of August 2019** in Makati City.
