

ANNUAL PERFORMANCE ASSESSMENT OF THE BOARD AND ITS COMMITTEES

The PITC Board of Directors and its Committees undergo performance evaluation yearly through an internet-based performance evaluation tool developed by the Governance Commission for GOCCs (GCG). The Questionnaire and its responses are accomplished online giving the evaluation that level of confidentiality relative to the information provided by the Directors concerned. Every Director is required to submit their self-ratings and that of their peers and these are directly sent to the GCG through the Performance Evaluation for Directors System (or iPED) in compliance with GCG Memorandum Circular No. 2014-03 (re-issued). The performance assessment is forwarded yearly to the Office of the President of the Philippines.
